AI & SynBio: Shaping the future of healthcare

Join us at the Healthcare 2.0 Conference in Barcelona!

- **Collaborate with stakeholders:** explore strategies, anticipate challenges, and explore innovative solutions shaping the synthetic biology ecosystem.
- **Learn from leading experts:** discover insights on the implementation of AI across the full spectrum of synthetic biology technologies.
- **Address pertinent challenges:** engage in discussions on the most pressing issues that this exciting field is facing.
- **Brainstorm effective strategies:** maximize the reach and potential of AI in synthetic biology through collaborative brainstorming sessions.

AGENDA

Parc Científic de Barcelona - Sala Dolors Aleu

08:30 | Registration

09:00 | Opening remarks: welcome speech

09:15 | Deep tech ecosystem and funding in Catalonia and Spain - Biocat

09:45 | The Convergence of AI and Life Sciences: Safeguarding, Governance, and Prevention (TBD)

10:15 | **Keynote speaker:** Marc Güell, co-founder Integra Therapeutics

10:45 | Building bridges in the SynBio ecosystem - ATG SynBio Spain

11:00 | Coffee break and Networking

11:40 | **Keynote speaker:** Mark Bünger, co-founder Futurity Systems
Science-based design for building futures

12:10 | **Panel Discussion:** How is AI being used to advance synbio-based solutions.

13:10 | Closing remarks

CONFIRMED SPEAKERS

Marc Güell
Translational SynBio Lab,
Co-founder Integra Tx

Lluís Pareras
Director Invivo Capital

Miguel Romero
deCYPher project
coordinator at BSC

Mark Bünger
CTO & Co-founder
Futurity Systems

Luis Serrano
Director CRG
Design of Biological
Systems Lab

Robert Fabregat
Director at Biocat

César Velasco
Director of Innovation and Digital
Strategy AstraZeneca

Fran Antequera
President ATG SynBio Spain
& PM at Da Vinci Labs

Jaume Ros
Innovation Forum
Barcelona &
Biocat

out.**

Our previous events

Ini | Invest in Innovation

HEALTH TECH EVENT

www.invest-in-innovation.com

2nd – 3rd November 2021, Barcelona

300+ Attendees

150+ Investors

100+ Startups founders

30+ Countries represented

Teresa Riesgo Alcaide
Secretary General for Innovation, Spain

Andrew Fried
Healthcare and Life Sciences Industry Leader, IBM

Bill Liao
General Partner, SOSV

Kimon Angelides
Serial Entrepreneur and founder of FemTec Health

**Host of the IMAGINE IF!
2021 Global finals**

HEALTH HORIZONS

www.horizons.health

26th – 27th June 2019, Cambridge

1500+ attendees

100+ speakers

450+ CEOs & founders

900+ companies

Dr Rory O'Connor
CMO, Pfizer

Dr Ann Taylor
CMO, AstraZeneca

Sir Leszek Borysiewicz
Chairman, Cancer Research UK

Dr Hermann Hauser
Co-Founder, Amadeus Capital Ventures

Dr Ann Connolly
Senior Director, J&J Innovation

Dr Emmanuel Ligner
President and CEO, GE Healthcare Life Sciences

Testimonials and feedback from previous Innovation Forum events

“Exciting, really dynamic atmosphere and I look forward to be involved in these events in the future”

Dr. Andy Richards

Chairman of 4 biotech companies and founder of Cambridge Angels

“It has been an absolutely fantastic opportunity to come here and see innovation happening on the ground”

Dr. Ann Connolly

Senior Director, New Ventures at Johnson and Johnson

“I was blown away! I am so impressed that there are so many good companies now”

Dr. Hermann Hauser

Founder & Director at Amadeus Capital Partners

“An event like Invest in Innovation is necessary in order to build long standing partnerships and showcase how much Barcelona can offer to the world”

Dr. Daniel Moreno

Head of the Innovation programme, Hospital Germans Trias i Pujol
